Paul, and Vlad. I have gone through the material from the brochures. They are good for a brochure, however, for the website, I think it's best if pastor Alex, Yakov, and Anatoliy would write something that actually talks about their ministries: what they are doing and what they want to accomplish.. or something like that.

Worship and Youth sections are good. I've polished them a little bit, and now, I'm sending them to you.

Grace be with you!
God Bless!

- Our Pastors - Pavel will send Brochure to Yuriy, Yuriy will polish and translate and send to Vlad. Pavel will obtain a newer photo of the pastor

- Our Vision/mission - This is our "blank" that we'll need pastors to fill in as we're closer to launch.

- Photo Gallery - We will work with Stan to obtain a few events to begin with.

3. Ministries

- Worship - We still need corresponding photos. We already received content from Alex K.

- Youth - We have a few sentences already, good starting point. We still need photos/ Pavel will speak to Serge Kolisa about possible youth Prayer content.

- Vlad will put temporary overview of Sergey Artishuk's overview of services/date with message: "Please contact Sergey @mail.com to obtain a particular video of a service.

- This section will be designed specifically for Audio/Video Resources but temporarily "inactive" until the video ministry is more established on a more regular basis.

- A blog engine will be integrated as well. Will be "inactive" for the time being as well until we have a more systematic approach with dedicated individuals.

5. Events

- This events page will contain unique/exclusive events that we'll work in obtaining for the appropriate time period when we'll be launching the website. The regular recurring Events such as 10am Sunday Service or Thursday evening services will go on a separate page called "Services Times & Directions" For people to view and overview of the church weekly schedule.

This is pretty much all we covered. Excited that we made a significant move forward :-)

Blessings,
Vlad

Hi Yuriy and Pavel,

Time:

Yuriy Said he's available anytime on after 12 on Friday. Does One work?

Also, Location -

To keep it convenient for Yuriy, how does the Starbucks on Roseville PKWY/Sunrise Sound?

1410 E Roseville Pkwy, Roseville, CA - 1;00PM

It's probably about 10 minutes away form Yuriy. Its a big and comfortable starbucks to work at with minimal distraction.

Let me know what works best for everyone.

Thanks,
Vlad

Worship Ministry

As the King of kings and the Lord of lords, God must be worshiped. And although worship is a non-ending everyday lifestyle, in His Word God gives us music as one of the main ways to express it. That is why the heart of our worship ministry is to help the people to express their love, adoration, praises and worship to God through music and singing, as well as experience God's heart-changing presence and His life-changing power. It is our prayer that our worship times together uplift and bring a great blessing to you, whether you attend our services regularly, or just come for a visit. So, as we invite you to come, we join together with David in his invitation, recorded in one of his psalms: "***O, magnify the Lord with me, and let us exalt His name together.***" (Ps. 34:3).

Youth Ministry

Here, at Grace Trinity Church, our desire is to be a place where young people can develop a solid relationship with God. A place where they would be able to establish a strong foundation for their lives. A foundation that will not be moved or shaken, as they step into young adulthood and commit their lives to God and his perfect will, so that God's grace is not received in vain (2nd Cor. 6:1). We welcome you to please come and worship with us, to experience God's love and grace, as it continues to move in us and through us for his glory. Join us on Tuesdays at 7:00pm.
