The text for Sunday school looks great to me. I would only recommend 2 minor changes there:

- 1) In the part where it says "... true Bible believing Disciples for Jesus Christ..." I would put the word "of" instead of "for".
- 2) Instead of starting the word "Disciples" with a capital letter I would start it with a small one.

This is how I would do this whole phrase: "... true Bible believing disciples of Jesus Christ." Everything else is great as far as the text goes, I love it!!!!

I've got a question about the info on the teachers... Is this going to be on the website as well?

Grace be with you!  
God Bless!

Vlad and Yuriy,  
Please see attached from Dima Sokol, Sunday School Director. Yuriy, if you are OK with the text and how it's written, this would fit under:

- Ministries

- Sunday School

Photoshoot of Sunday School instructors and worship team is confirmed for next Sunday.

Thanks.
